#### Celebration of The Lord's Resurrection

Wasn't it great to have the sun back—even though for a short while. It was almost like a taste of what's yet to come, the spring leading to the summer—we hope. It gave us all a lift and a sprig of new life and energy. It lifted the look of everywhere and everyone—grass, flowers all around us looked different.

Our celebration this weekend—the Resurrection is a bit like that, all of us are living in faith looking forward to the new life ahead that the Lord has won for us.

Speaking of looking forward—the Sacred Heart Novena will be upon us very soon. In keeping with the International Eucharistic Congress theme of *'In communion with Christ and with one another'*, we will follow various themes based on the Eucharist each day joining with our brothers and sisters in faith at the congress. We had a great gathering at the Information evening about the congress in St. Agnes recently and it promises to be a really great celebration for us all. There'll be plenty of work to do—decorating the church, our houses, etc. So don't be shy to come forward to lend a hand.

Easter blessings on one and all.

Slán agus Beannacht .

Fr. Melvyn
