Great events in our Church

An historic event for us in our church. During the week we became people sharing in the history of our church in a unique way. For the first time we have a Pope who choose Francis as his name—a first, and who also is a Jesuit another first in the history of the church.

We also celebrate this Sunday the feast of our National Patron, Saint Patrick. He is remembered for his simplicity of life and pastoral care, and also his humble trust in God and his fearless preaching of the gospel. All these are traits that are not unlike what's been said of our new Pope Francis and as we have heard he also is a simple living man. Yes indeed a whole new dawning for our church.

Tuesday 19th March is the Feast of St. Joseph another significant saint in our church tradition. The virtues of faith and trust in God's plan for him, strength in time of trial, love for the Blessed Virgin Mary and the example he gave to Jesus have always been celebrated by the church.

May the intercession of St. Patrick and St. Joseph on our behalf be a source of grace to us all.

Why Not Study Theology?

The Dominicans are offering affordable distance learning programmes in theology which can be followed either for academic credit or for personal enrichment. People study from home, with occasional study days at weekends, and with the support of on-line tutors.

Hundreds of people have completed some or all of the programme. Perhaps you would like to know more?
