Easter Events.....

Who could imagine the weather we've been having these last days. Hard to believe that we are in springtime isn't it.

This week we have celebrated the Easter ceremonies with the children miming the gospel on Holy Thursday when we recalled the Last Supper and the Washing of Feet. Then on Good Friday once again the children led us in another beautiful reflective mime of the Stations of the Cross. All of these are a testimony to the hard work and dedication of the children, parents and Sr. Ann and Sr. Geraldine. We are truly blessed with you all.

These events of our faith are among the most important that we are handing them on to the children in this creative way and through their participation in them this very valuable gift of faith is seen in action and life. Well done and many thanks to all. On Holy Thursday night we were led in prayer by a member of our Parish Pastoral Council in the Watch & Pray hour. It's great to open our hearts to the Lord for in doing so we open ourselves up to new things and indeed the new life that the Risen Lord offers us.

On Easter Saturday night for the first time here at St. Bernadette's, we truly rejoice as we welcome the arrival of an adult member to the church— Faomi. May the Lord continue to bless her and all of us in such great ways this Easter season and beyond. Blessings of peace and joy on one and all this Easter.

One line for the men who were true heads of their households. The other line for the men who were dominated by their women. I want all the women to report to St. Peter." Soon the women were gone, and there were two lines of men. The line of the men who were dominated by their wives was 100 miles long. In the line of men who truly were heads of their households, there was only one man.</p>
