### Our 25th—we did it in style ....

The summer has arrived at last and we have been blessed in so many ways this week. The 25th celebration of the novena went so well for us - weather, attendance, participation, speakers/celebrants and the great sense of gathering together to celebrate our faith as a community, was really fabulous. You only had to look around at the faces to see how the Lord was pouring out his love on those who participated. We will never be able to say it often enough though that our thanks go to Fr. Kelly for the vision and courage to start the novena. Who was to know then that the Lord would still be blessing us in such a generous way 25 years on. Maybe when you visit the Sacred Heart shrine in the church, as you look at the plaque we placed there in thanks to Fr. Kelly—you might say a prayer for him.

My thanks also to the Parish Pastoral Council and the many other parishioners who rowed in to help to make our 25th novena such a memorable and blessed time for our parish.

I can recall from past years when the weather brightened up that it also meant the coming of examination time. We place all those young people in our parish and their families under the care of the Lord at this stressful time. May the Lord continue to bless their efforts and help us all to support them now and into the future.
