Where Does Time Go

Isn't it hard to believe that we are at the start of our preparations for Christmas already! We all find ourselves almost catching up on time passing us by. But in the season of Advent we are given a chance to stop and catch up on time. In Advent we take the time to ourselves to prepare our hearts and minds to reflect and receive Jesus new once again. Our faith asks us to bring Jesus to birth each and every day of our lives—not just at Christmas but every day.

Give So That Others May Live — St. Vincent De Paul

Each year throughout Ireland an annual appeal is launched to help local conferences of St. Vincent DePaul. This Christmas we are appealing on behalf of our local conference of St. Vincent DePaul to help families in our parish during this Christmas time. **This year the appeal will take place over the weekend of 13/14th December.** Please give to this special collection as generous as you can afford to.

Preparation for Christmas - Advent

You might recall last year the Archbishop asked us to donate food for those who are in need of such a basic commodity in our diocese. This was brought to our notice by Crosscare who informed us that their food bank was running low and they were in need of help. The same is asked of us this Advent. On the weekend of **6th & 7th December** you are asked to bring to church a donation of non-perishable food that will be distributed through Crosscare to the needy of the diocese. My thanks for your generosity last year and I trust you can donate this year as well.
